Individualized Field Trip Request

Family or individualized educational trips, and college visits are limited to **five days** cumulatively during the school year with approval by the building Assistant Principal(s). Absences beyond five days will be considered unexcused and make-up work, quizzes, tests, projects, homework, etc., for those days may not be accepted. Family or individualized educational trip requests **during the mid-term or final exam period will not be approved.**

The Pennsylvania School Code lists the following reasons for excused absence from school: a) illness, b) quarantine, c) death in the immediate family, d) impassable roads. Exceptions to the rule may be evaluated individually by a school administrator or his designee. Additionally, a total of not more than five days may be approved by the Abington Heights High School administration for absences in reference to job interviews, college visitations and individual or family educational field trips. Students who have six or more unexcused absences or a total of twenty (20) days of excused or unexcused absence excluding funeral days will not be approved for excused individual or family field trip days. After fifteen (15) days of excused or unexcused absences excluding funeral days, field trip days will be prorated. (Example: A student who has accrued 17 days of absences may request only three (3) individual or family educational field trip or vacation days.)
